GREET

Guiding Refugees via European Exchange and Training

(April 2018 – September 2019)

CARe

Career Advancement of Refugee Researchers in Europe

(January 2019 – October 2020)

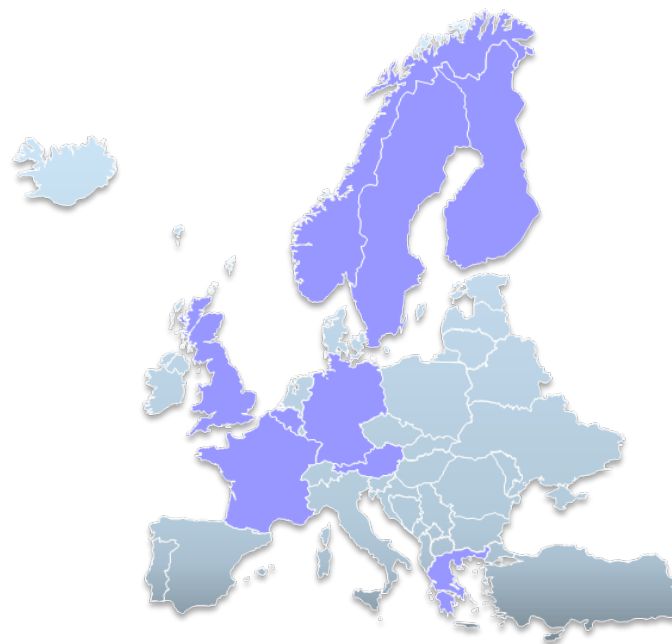

GREET

Guiding Refugees via European Exchange and Training

Goal: Support the integration of highly skilled refugees by providing exchange and peer learning opportunities for refugee *support structures* at national and institutional levels in Europe.

Main activities & results

- Peer learning activity: PLA [Report](#)
- Europe-wide thematic and country-specific [webinars](#)
- Final stakeholder [event](#) and summary report
- Online compendium (repository of policies and initiatives): [launch](#) in September 2019

CARE

Career Advancement of Refugee Researchers in Europe

Goal: Support the integration of researchers with refugee background into the European research labour market through needs-based guidance and provision of relevant information on employment requirements and opportunities in residence countries

Main activities & results

- Stakeholder mapping – stakeholder database (June 2019)
- 10 focus groups and employer survey – templates for country-specific guides (June-November 2019)
- Development of (10) country-specific guides (January-July 2020)
- European and national-level webinars (April-October 2020)
